The green light comes on when charging is complete.

3 Brightness Levels

Pleasant night light

Without blinking, without shadow, without dizzying light

Take care of your eyes and improve sleep quality

The soft light will never wake your baby at night

FEATURES

- **It uses a red light source** that emits a calming glow, promoting healthy sleep for people of all ages. Unlike blue light, it avoids disrupting sleep patterns.
- **It has a spring pressure button**, allowing for easy on and off, ideal for children.
- **100% Blue & Green Light Free:** Unlike traditional lighting sources, our beacon light emits no blue or green light wavelengths thus protecting your circadian rhythms.
- **USB Rechargeable:** With its USB-c rechargeable design, our beacon light is both convenient and eco-friendly. Simply plug it in and you're good to go!
- **Lightweight and Portable:** Our beacon light is compact and lightweight, making it easy to take with you wherever you go. It's perfect for travel, camping, or just moving around your home.
- **Travel-Friendly:** Our beacon light's compact size and USB rechargeable design make it the perfect travel companion. Whether you're on the road or in the air, the Twilight Beacon Light has got you covered.
